Presently the space is configured with a total of 13 offices (2 very large spaces which could be board rooms or office bullpens), reception area, 3 washrooms, file/storage room, 2 kitchen areas, 4 exterior entrances. Could also accommodate a business which needs retail showroom as this space has its own exterior door. The fully finished shop is 1700 sq ft, 225 amp three phase power, two 12' x 14' doors with side mount openers, two overhead furnaces, floor drains, ceiling fans, washroom with shower, wash sink and mezzanine for extra storage.
