Welcome to this exceptional custom-built estate home in Legacy Woods, completed in July 2023 and perfectly situated on a premium lot backing onto a city-maintained garden and a protected 300-acre forest reserve. Offering over 4,100 sq ft of total developed space, this residence is thoughtfully designed for comfort, functionality, and multi-generational living. The main and upper floors span approximately 3,200 sq ft and feature 5 bedrooms, each with its own ensuite, including two spacious primary suites. The heart of the home boasts a gourmet kitchen with an oversized island, a separate spice kitchen, and two built-in dishwashers — ideal for larger households or entertaining. Custom touches include a stone fireplace, floating wood shelves, MDF closet finishes, motion-sensor lighting, and heated bidet toilet seats. A front-facing balcony off the upper-level wet bar provides a perfect space to unwind, while a dedicated prayer/meditation room adds versatility. The legal walk-out basement suite includes 2 bedrooms, a full bathroom, a soundproofed flex room (ideal as an office or gym), private patio, separate concrete entry, and independent sub-metered utilities — excellent for extended family or rental income. The oversized triple garage is fully finished and heated, featuring epoxy floors, ceiling fans, custom steel shelving, built-in shoe racks, and EV charger rough-in. A gravel front pad adds two more parking spaces. Smart home features include 13 security cameras, Trimlight permanent LED lighting, dual furnaces, three hot water tanks, RO filtration, a water softener, pre-wiring for solar, and an advanced network system with full-home coverage and UPS backup. Enjoy the best of Legacy living — close to Fish Creek Park, the Bow River, schools, shops, daycares, and two nearby golf courses. A rare opportunity to own a home that

combines space, privacy, modern efficiency, and a prime natural setting. Call your favorite realtor today to book your showing!
