Investor Alert! Mailbox income in the downtown core of Sundre that houses a Florist and 30 Indoor Temperature Regulated Storage Units that are fully rented. This generates a nearly 7% cap. rate that can be increased over time. Absentee Management is a real plus but there is an office that is available to the owner. The High Security Monitoring System sends a notification when the storage area of the building is accessed and provides CCTV recording. Buyer must accept all tenancies until 08/31/2026 but is available for quick possession to the right buyer. Call for a private tour.
