Very attractive initial listing price for this mobile home on its own lot - one of the few available in the town that offers a good value for a home and lot. This is a 1981 mobile home with 3 bedrooms and possibly a 4th if the addition is used for that. Just under 1500 sq ft the home has an open floor plan, 3 bedrooms, 2 bathrooms, a unheated entry about 8 X 6 that is great to use to get out of the elements, a covered porch area currently with a hot tub but hasnt been used in awhile and a side deck off the patio doors and a large fenced yard. There will be some things that can be done over time but the home is pretty much ready for you to move into. This is a great option to renting and probably much more affordable. The sign is up!!!
