From the moment you arrive, you'll be charmed by the freshly landscaped yard, the new roof and eavestroughs, the new modern garage door and the oversized garage. Inside, natural light floods the open-concept main floor, where rich quartz counters sparkle against stainless steel appliances, and soft-close cabinetry with custom pullout drawers adds both refinement and function. The fully finished walkout basement is designed for both relaxation and celebration. Heated floors, a cozy electric fireplace, and a welcoming rec room with wet bar and pool table set the stage. Step into the luminous three-season sunroom with infrared heating and enjoy the beauty of every season while overlooking your private, fully landscaped backyard. Two spacious bedrooms and full bath complete the lower level. Every comfort has been considered—central A/C, central vac, and a brand-new 75-gallon hot water tank are among the many thoughtful upgrades.
