There is a large primary bedroom with walk in closet and 3 pc ensuite plus another bedroom, main bath and welcoming entrance. The walk out basement does has a legal suite but could be opened up again if you needed the whole home to live in. This area has a lovely stone terrace with pond out back which would be a great place to take in more of that view. It also has a kitchen with dining area, family/living room, 2 bedrooms, bathroom, laundry and mechanical room (lots of storage here too!).
