?This two-storey professional office building offers prime exposure along busy Highway 17, ensuring excellent visibility in a high-traffic area. The property features four separate office units, each professionally built and well laid out, making it ideal for a wide range of professional tenants. Long-term tenants are already in place, providing a stable income for an investor. Owned by a single owner and meticulously maintained, this property showcases true pride of ownership. Sitting on an oversized lot, it also offers plenty of parking and room for future expansion. A strong opportunity to own a professional building with strong financials in a proven location.
