This stunning inner-city bungalow, situated on a 0.26-acre lot at the top of a hill, was designed by Hallett Architects. The propertyis surrounded by parks and green spaces, offering unparalleled privacy and breathtaking views. The current owner has invested significant time andmoney in improvements and transformations, resulting in one of the best curb appeals in the community. Two major improvements were made in2016 and 2017, which are highlighted below: In 2016, the house underwent a complete redesign and upgrade. Exterior enhancements included aremodeled triple garage, stone siding, a high-end wooden front door, and repainted Hardy board siding. Inside, the floor plan and layout were reimagined, featuring a new kitchen with high-end stainless steel appliances, luxury wooden cabinets, a large island, a natural stone fireplace wall, and brand-new, high-end lighting fixtures. The entire basement was finished, adding a wine room, tea room, en-suite bedrooms, and a karaoke roomwith a bar. In 2017, the property was further enhanced with new landscaping and the addition of an extraordinary pavilion made of timber and stone, designed for year-round use. The front yard was redeveloped with low-maintenance stone and a powder-coated aluminum fence, giving the home astylish and impressive appearance in the neighborhood.
