The primary bedroom, ensuite and walk-in closet create an oasis within your own house. The ensuite has a stand-alone soaker tub, walk-in shower, rustic vanity, and incredible tile work. Some additional features of note include a heated garage, central A/C, modern fireplace, engineered hardwood floors, triple pane windows, instant hot water heater, high efficient furnace with U/V air filter and the windows have been treated with privacy film. There's a big storage room in the basement as well that is under lock and key, it can be viewed and inspected by the home buyers. Signal Hill is and has always been a premiere neighbourhood in the city, and the numbers on the driveway pay homage to the four Alberta battalions from World War I that trained at the base of Signal Hill, originally known as Camp Sarcee but forever honoured with the commemorative geoglyphs visible from Stoney and Sarcee Trail. You'll love the mountain views from your west facing balcony, the convenience of nearby schools and quick access to downtown or west to the Rocky Mountains. This is a true gem; we'd love to accommodate your showing needs. Come check it out, you won't be disappointed.
