A rare opportunity to own one of Calgary's most established dry-cleaning businesses! The business has proudly served the community for over 35 years from its prime location in NW. This profitable, turnkey operation offers strong repeat clientele, modern equipment, and a long-term lease in place. Ideal for an owner/operator or family business, with excellent growth potential through delivery service or expanded marketing. New owner training can be provided for a 90 day period. All financials, lease details, and asset lists are available to qualified buyers after signing an NDA and submitting a deposit under a conditional offer. Confidential listing — please do not approach staff or landlord. Contact listing representative for full details.
