Excellent opportunity to own a commercial bay. This well-maintained unit offers great visibility, easy access, and ample parking in a busy commercial area. Perfect for a wide range of business uses or as an investment property. The bay can also be purchased together with a well-established business currently operating from the premises. Offers over 7% cap rate with immediate rental income in place. Mezzanine is 100% approved and partially finished, with potential to build a second floor for additional space or income. High-traffic area surrounded by active businesses, ensuring steady exposure and long-term growth potential. Don't miss this rare opportunity in a prime location!
