Newly built in December 2023, this exceptional residence is located in the prestigious community of Artesia at Heritage Pointe, offering a perfect blend of luxury, functionality, and modern design. Boasting 6 bedrooms and 5.5 bathrooms, this home is thoughtfully designed to accommodate growing families, multi-generational living, or those who love to entertain. The main floor features 10-foot ceilings and an open-concept layout where the chef's kitchen overlooks the dining and living areas. The kitchen is highlighted by a large central island, expansive pantry, and premium finishes—ideal for everyday living and hosting. A rare main-floor bedroom with ensuite and private sitting area offers incredible flexibility, perfect for in-laws, teenagers, guests, or a sophisticated home office. An additional beautiful powder room, a big mud room and access to an oversized patio overlooking the pond completes the main floor. Upstairs, you'll find a spacious bonus room, along with a luxurious primary retreat featuring a spa-inspired ensuite with a large shower and soaker tub. The primary suite conveniently connects to the upper-level laundry room. Three additional bedrooms and two additional full washrooms complete this level, including one with its own private ensuite. The fully developed walk-out basement is an entertainer's dream, offering a wet bar, gym, generous storage, and a large bedroom with a full bathroom—ideal for guests or extended family. Additional highlights include a triple heated garage with epoxy flooring, triple-pane windows, Gemstone exterior lighting, heating and cooling controls on each level, and 9-foot ceilings throughout the upper and lower levels. The home is fully landscaped with underground sprinklers, exposed aggregate concrete pad under the patio, and with a beautiful lighted pergola to enjoy under the summer and autumn

nights. This is a rare opportunity to own a nearly new luxury home in one of the most sought-after communities in the Calgary area.
