1909 Character home with Massive Potential: Calling all visionaries, contractors and restoration experts! This 1909 home is a rare opportunity to strip back the layers of time and build serious equity. While this home requires a comprehensive "top-to-bottom" renovation- including remediation for Cigarette smoke and a basement foundation awaiting completion, the massive upsides make this a standout project for the right buyer. 3 bed 2 bath footprint a solid, functional starting point for a high end flip or a custom heritage restoration.
