Tucked into a well located and established pocket of Hillhurst, this ELEGANTLY CRAFTED custom-built home offers elevated inner-city living just steps from Kensington, the Bow River pathway system, parks, dining and everyday amenities. Offering over 4,500 ft² of meticulously finished living space, this home is designed for modern family living and long-term lifestyle flexibility, featuring 6 bedrooms, 6 bathrooms, a walk-up lower level and insulated TRIPLE GARAGE with vaulted ceiling. The main floor is bright and open with large windows, seamless flow between living, dining and entertaining spaces, and a striking chandelier that creates a beautiful focal point within the staircase. The kitchen is both functional and refined, featuring premium JennAir appliances, custom cabinetry, quartz surfaces, a large statement island and walk-in pantry. A main floor flex room with full bathroom and walk-in closet offers excellent versatility for guests, or an executive office workspace. Upstairs, the primary suite offers a quiet retreat with spa-style ensuite including steam shower and soaker tub. The walk-in closet offers room to move, complete with built-ins and practical storage design. Two additional bedrooms each feature private ensuites and walk-in closets, plus a bonus living area and second laundry room for added convenience. The lower level features a large recreation area, wet bar, glass enclosed fitness space, two additional bedrooms, full bathroom and mudroom with built-in storage and direct outdoor access. Additional highlights include hardwood flooring, 10' main floor ceilings, 9 ft ceilings on the upper, built-in speakers, power blinds, custom built-ins and a timeless modern exterior finished with durable premium materials and expansive window design.
