The area is rich in agriculture, lakes, reservoirs, wildlife, camping, hunting, fishing, skiing and more. This multi facility lake property includes not only the picturesque mountain view property but all the facilities and residences with potential to expand and continue the legacy of this iconic property and unique business. Long house cook outs, firepits, laundry and shower house, patios, picnic area, a swimming area, playgrounds, bandstand and more! This property is home to endless outdoor fun! During the covid provincial restrictions on the Barn Dance entertainment experience the over 80+ serviced stalls campground in the 2021/22+ years were very quickly 100% sold out as seasonal rentals and a solid revenue years ahead secured. Offering is for all the land (agriculture, residential & business zoned), buildings, equipment and all the business which forms the going concern operations.
