Set on a sprawling 148-acre parcel, this executive home offers a retreat from the hustle and bustle of everyday life. As you enter, you'll find a practical foyer with a walk-in closet/ mud room and easy access to the oversized garage with a dog washing station and in-floor heating. A 2-piece bath and laundry room with lots of storage are right down the hall for added functionality. The main level is designed for relaxed living and entertaining. A spacious family room features a built-in bar with walnut cabinetry and built in mini bar, wine fridge and a sink. A cozy gas stone-fireplace makes this room perfect for gatherings or game nights with the family. Garden doors lead to a west-facing, covered deck with stunning mountain views. The kitchen is a chef's delight, with a large island with granite countertops, and high-end JennAir appliances. This country kitchen features a gas range, double ovens, fridge, dishwasher, microwave and plenty of maple cabinets. There is also a large pantry for even more storage. The dining room is open to the kitchen with garden doors out to the deck. Another family room boasts soaring ceilings and a stone fireplace for cozy evenings in. The master suite offers access to the west covered deck, which has the hook ups for a hot tub, a walk-in closet with built ins and a luxurious en-suite with cherry cabinets, large soaker tub and a shower with rainfall shower head. Two additional bedrooms and a 4-piece bath complete the main floor. Upstairs, there are two more bedrooms with walk in closets that share a Jack and Jill bathroom. There is also a sitting room overlooking the living room for reading or to admire the impressive stone fireplace. Downstairs a versatile space awaits. A room with sink and cabinets offers potential for crafting or hobbies, while the remaining area is ready for your personalized touch. The basement also has in-floor heat. Outside, enjoy

the massive landscaped yard with mature trees and a garden. A covered east-facing deck overlooks the valley, while the west deck offers mountain views. Additional features include a massive 80 X 40 heated shop with a bathroom and cold storage. The barn has 5 horse stalls, a tack room and a hay loft and has 5 cross pasture areas with game fence. Also, there are 3 livestock waterers. Experience country living at its finest in this comfortable and inviting home. No detail has been missed in this custom-built, executive home!
