Here is a chance to own a 161 acres East of Ponoka. This uncut 1/4 has views for miles. With currently \$9,500 per year in oil lease revenue this makes this parcel attractive to invest in. Currently in pasture there are a mix of potential uses for this land. Trees and rolling hills with a view as well as an opportunity to cultivate and crop part of it or just build your dream home are all possibilities for the next owner. Take a look and see for yourself and where your imagination takes you.
